Dear Sir:

Thank you for your letter of September 14th, 1963, and we are very sorry for not answering sooner, but our Engineer has been out of town.

We wish to inform you that you did receive our broadcast on September 13th, it was Paul Leonard announcing and the Program would be Breakfast with Paul.

We have a non-directional antenna on day pattern and a directional on night pattern.

If you are ever up this way we would certainly be very pleased to see you and would like to hear from you again.

Yours truly,

per C. Fullerton.

Ray Rylatt,
Chief Engineer.
